Dear Former Iowa State University Student,

I am writing as a precautionary measure to notify you that some of your personal information could have been accessed, for a limited period of time, by a third party. Class lists that included your name, birth date, and Social Security number were stored on one or more servers within the departments of Computer Science, World Languages and Cultures, and Materials Science and Engineering. Those servers were hacked, and infected with unauthorized software that sought to generate enough computing power to create digital currency known as Bitcoin.

Iowa State has received no reports, nor do we have any evidence, that your information was actually viewed, accessed, or used in any way. No student financial information was in the data, and we do not believe that your personal information was a target of this server breach.

The hacking was first discovered on two of the infected servers on February 28th, 2014 and the breach was repaired by March 3rd. Our investigation indicates the hacking occurred on February 3rd. The determination that students' personal information was on the infected servers was made March 17th. A third infected server with personal information was identified on March 28th. Law enforcement officials have been notified of the incident. An Iowa State response team has also been working on this issue, and is taking steps to increase computer security and help prevent similar incidents from occurring in the future.

As an added precaution, we have arranged to have AllClear ID protect your identity for 12 months at no cost to you. The following identity protection services start on the date of this notice and you can use them at any time during the next 12 months.

AllClear SECURE: The team at AllClear ID is ready and standing by if you need help protecting your identity. You are automatically eligible to use this service - there is no action required on your part. If a problem arises, simply call 877-403-0281 and a dedicated investigator will do the work to recover financial losses, restore your credit and make sure your identity is returned to its proper condition. AllClear maintains an A+ rating at the Better Business Bureau.

AllClear PRO: This service offers additional layers of protection including credit monitoring and a \$1 million identity theft insurance policy. To use the PRO service, you will need to provide your personal information to AllClear ID. You may sign up online at enroll.allclearid.com or by phone by calling 877-403-0281 using the following redemption code: 9999999999.

Please note: Additional steps may be required by you in order to activate your phone alerts through the AllClear web site.

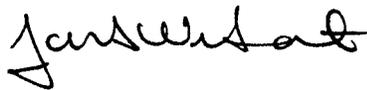

In addition to the AllClear services, please review the enclosed information regarding identity theft prevention strategy.

You may continue to receive legitimate requests for information by phone, mail, or email from the Iowa State University Foundation or Iowa State University Alumni Association. However, no representative from Iowa State will ever ask for your Social Security number. If you question whether these or other requests you receive are legitimate, we recommend you contact the Foundation at 515-294-4607, or the Alumni Association at 515-294-6525. If you suspect a caller is phishing for personal information, you also may report such incidents to our computer security team at 877-478-1000, or serverbreach@iastate.edu.

Protecting personal information is a high priority for Iowa State, and a responsibility we take very seriously. In response to this incident, we have deleted the files that contained your information; decommissioned the servers that contained the student data, and physically destroyed them; ensured operating software on similar servers is up-to-date; and we are scanning information technology systems for protected information.

Please accept our sincere apologies for any inconvenience this incident may cause you. The intent of this communication is not to alarm you, but to be open, honest, and transparent. Iowa State remains committed to safeguarding your personal information and providing you with the resources to stay protected.

With best regards,

Information about Identity Theft Prevention

We recommend that you regularly review statements from your accounts and periodically obtain your credit report from one or more of the national credit reporting companies. You may obtain a free copy of your credit report online at www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by mailing an Annual Credit Report Request Form (available at www.annualcreditreport.com) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You may also purchase a copy of your credit report by contacting one or more of the three national credit reporting agencies listed below.

Equifax, P.O. Box 105139, Atlanta, Georgia 30374-0241, 1-800-685-1111, www.equifax.com
Experian, P.O. Box 2002, Allen, TX 75013, 1-888-397-3742, www.experian.com
TransUnion, P.O. Box 6790, Fullerton, CA 92834-6790, 1-800-916-8800, www.transunion.com

When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. Look for information, such as home address and Social Security number, that is not accurate. If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

We recommend you remain vigilant with respect to reviewing your account statements and credit reports, and promptly report any suspicious activity or suspected identity theft to us and to the proper law enforcement authorities, including local law enforcement, your state's attorney general and/or the Federal Trade Commission ("FTC"). You may contact the FTC or your state's regulatory authority to obtain additional information about avoiding identity theft.

Federal Trade Commission, Consumer Response Center

For residents of Maryland: You may also obtain information about preventing and avoiding identity theft from the Maryland Office of the Attorney General:

Maryland Office of the Attorney General, Consumer Protection Division
200 St. Paul Place, Baltimore, MD 21202, 1-888-743-0023, www.oag.state.md.us

For residents of Massachusetts: You also have the right to obtain a police report.

For residents of North Carolina: You may also obtain information about preventing and avoiding identity theft from the North Carolina Attorney General's Office:

North Carolina Attorney General's Office, Consumer Protection Division
9001 Mail Service Center, Raleigh, NC 27699-9001, 1-877-5-NO-SCAM, www.ncdoj.gov

The next 2 paragraphs are regarding incidents involving personal health information. Disregard if not applicable to your situation.

We recommend that you regularly review the explanation of benefits statement that you receive from your insurer. If you see any service that you believe you did not receive, please contact your insurer at the number on the statement. If you do not receive regular explanation of benefits statements, contact your provider and request them to send such statements following the provision of services in your name or number.

You may want to order copies of your credit reports and check for any medical bills that you do not recognize. If you find anything suspicious, call the credit reporting agency at the phone number on the report. Keep a copy of this notice for your records in case of future problems with your medical records. You may also want to request a copy of your medical records from your provider, to serve as a baseline. If you are a California resident, we suggest that you visit the web site of the California Office of Privacy Protection at www.privacy.ca.gov to find more information about your medical privacy.

Fraud Alerts: There are also two types of fraud alerts that you can place on your credit report to put your creditors on notice that you may be a victim of fraud: an initial alert and an extended alert. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for at least 90 days. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years. You can place a fraud alert on your credit report by calling the toll-free fraud number of any of the three national credit reporting agencies listed below.

Equifax: 1-800-525-6285, www.equifax.com
Experian: 1-888-397-3742, www.experian.com
TransUnion: 1-800-680-7289, www.transunion.com

Credit Freezes (for Non-Massachusetts Residents): You may have the right to put a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. In addition, you may incur fees to place, lift and/or remove a credit freeze. Credit freeze laws vary from state to state. The cost of placing, temporarily lifting, and removing a credit freeze also varies by state, generally \$5 to \$20 per action at each credit reporting company. *Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company.* Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:

Equifax, P.O. Box 105788, Atlanta, GA 30348, www.equifax.com
Experian, P.O. Box 9554, Allen, TX 75013, www.experian.com
TransUnion, LLC, P.O. Box 2000, Chester, PA, 19022-2000, www.transunion.com

You can obtain more information about fraud alerts and credit freezes by contacting the FTC or one of the national credit reporting agencies listed above.

Credit Freezes (for Massachusetts Residents): Massachusetts law gives you the right to place a security freeze on your consumer reports. A security freeze is designed to prevent credit, loans and services from being approved in your name without your consent. Using a security freeze, however, may delay your ability to obtain credit. You may request that a freeze be placed on your credit report by sending a request to a credit reporting agency by certified mail, overnight mail or regular stamped mail to the address below:

Equifax, P.O. Box 105788, Atlanta, GA 30348, www.equifax.com
Experian, P.O. Box 9554, Allen, TX 75013, www.experian.com
TransUnion, LLC, P.O. Box 2000, Chester, PA, 19022-2000, www.transunion.com

Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. The following information should be included when requesting a security freeze (documentation for you and your spouse must be submitted when freezing a spouse's credit report): full name, with middle initial and any suffixes; Social Security number; date of birth (month, day and year); current address and previous addresses for the past five (5) years; and applicable fee (if any) or incident report or complaint with a law enforcement agency or the Department of Motor Vehicles. The request should also include a copy of a government-issued identification card, such as a driver's license, state or military ID card, and a copy of a utility bill, bank or insurance statement. Each copy should be legible, display your name and current mailing address, and the date of issue (statement dates must be recent). The credit reporting company may charge a reasonable fee of up to \$5 to place a freeze or lift or remove a freeze, unless you are a victim of identity theft or the spouse of a victim of identity theft, and have submitted a valid police report relating to the identity theft to the credit reporting company.

AllClear Secure Terms of Use

If you become a victim of fraud using your personal information without authorization, AllClear ID will help recover your financial losses and restore your identity. Benefits include:
